**NOTE: Applique Fabric Not Included.**

# CUT IN PLACE APPLIQUÉ INSTRUCTIONS

1. Hoop your fabric and backing.
2. Sew the pattern/placement. **PHOTO 1**
3. Place a piece of appliqué fabric over the pattern/placement so that it is completely covered.
4. Sew the trim stitch/tackdown.
5. Carefully cut away the excess appliqué fabric. **PHOTO 2**
6. Sew the reminder of the design and repeat for any remaining pieces. **PHOTO 3**
# PRE-CUT APPLIQUÉ INSTRUCTIONS

1. Print out the necessary pages from the PDF of the appliquè pattern(s).
2. Mark the right side of the pattern pieces so you'll know which direction to lay the pattern on the fabric.
3. Lightly spray the wrong side of the pattern pieces with temporary adhesive spray and allow it to set for a few minutes.
4. Place the pattern pieces on the right side of the fabric and carefuly cut them out. **PHOTO 1**
5. Sew the placement stitch on your hooped fabric. **PHOTO 2**
6. With the paper still stuck to the right side of the  appliqué fabric, spray the wrong side of the fabric with temporary spray adhesive.
7. Place the fabric inside the sewing placement stitch so that it matches the stitching line then remove the paper pattern. **PHOTO 3**
8. Sew the tackdown. **PHOTO 4**
9. Sew the remainder of the design and repeat for any remaining pieces. **PHOTO 5**

**NOTE: The patterns are sized for the designs as they were made. If you resize the design, you will need to resize the pattern the same amount. You can print out the pattern at the normal size then copy it on a copy machine at the changed size, i.e. resize the designs to 80%, resize the printed pattern to 80%.**

**TIP: When Printing the patterns, make sure that the "Fit to page" option is UNCHECKED in the Print Dialog Box. If this option is checked the printed patterns will not be actual size.**
# IMPORTANT:

When printing this document, the "Fit to page" option must be UNCHECKED or the "Page Scaling" option must be set to NONE depending on your printers options. If this option is set incorrectly, the prints will not work correctly as patterns because they will not print at actual size.
